HIV Consultation Hour

The earliest moment to take the HIV antibody test is 6 weeks after the last possible chance of infection. You would get the test result, only in person, in the next following consultation hour.

Consultation hours:

Tuesday 10.30 am to 12 pm
Thursday 8:00 am to 10 am

It is not necessary to make an appointment.

Contact: Fone 0551/ 400-4831 or 400-4802/-03
